## 49. International Förde - Pokal 2024

### Awards and Prizes

#### Individual Ranking

In all individual competitions, the top three finishers in each category will receive medals, except for the finals.

Finals: see point 4. "Finals"

**Record Prizes:** Swimmers who set a new event record in the open class in the individual competitions will receive a prize of €49. Prizes will be handed out only after all finals have concluded.

The record prize will only be awarded to the swimmer who has swum the fastest record time at the end of the respective competition. There will be no age-group specific ranking.

**Best Young Athlete (2011 and younger, male):** The athlete with the best performance according to the WORLD AQUATICS points table will receive a trophy and a prize of €30 at the final award ceremony.

**Best Young Athlete (2011 and younger, female):** The athlete with the best performance according to the WORLD AQUATICS points table will receive a trophy and a prize of €30 at the final award ceremony.

#### Team Ranking

The "Fördepokal of the Flensburger Schwimmklub von 1930 e.V." will be awarded to the winner of the team ranking. This year, the prize is endowed with €490.

The winner is responsible for engraving the Fördepokal and bringing it to the event the following year. Should you choose not to participate in the following year, kindly return the Fördepokal to the Flensburger Schwimmklub in a timely manner.

**Points system for the "Fördepokal":** For each competition and category, only the best-placed athlete of a club is included in the ranking. According to the placement in this ranking, the first 7 swimmers (i.e., the club) will receive points if available. Points for individual competitions: 10-8-6-4-3-2-1. In relay competitions, points are doubled: 20-16-12-8-6-4-2. Finals and Knock Outs are not included in the points system.

The "Dr. Bronski©-Cups 2024" will be awarded to the relays of the 2010 age group M/F and younger, as well as the 2009 age group M/F and older, based on the addition of the relay times. Teams from clubs that participate in and complete both relays of the respective categories will be ranked. Disqualified relays are not included in the overall ranking. Winners are the teams with the best time.

### GENERAL CONDITIONS

#### 1. Legal Provisions

The competition regulations (WB), the legal order (RO), the competition fee regulations (WGO), and the anti-doping regulations (ADO) of the German Swimming Association (DSV) apply. For disabled athletes with corresponding classification certificates, the competition regulations of the German Disabled Sports Association apply additionally. All athletes from clubs, departments, and joint teams affiliated with the DSV or WORLD AQUATICS are eligible to participate. The event is notified to the SHSV and the DSV.

#### 2. Licenses and Sports Health

Along with the registration, clubs must provide assurance that the swimmers they have registered have the right to start for the club, that the annual license required under § 19 para. 2 WB-AT (for German clubs) has been paid, and that they have proven their sports health with a medical certificate not older than one year. Only when submitting the registration via data transmission according to DSV standard and email, the registration form may be sent without signature and binding declaration of sports health according to § 11 WB-AT and accepted by the organizer. In this case, the signature must be provided before the start of the event or a signed registration form (DSV Form 101 Version 2012-03) must be submitted to the organizer. Without a signed registration form, the club is not eligible to start. The Flensburger Schwimmklub von 1930 e.V. bears no liability if it turns out that sports health or a valid annual license is not available.

#### 3. Restrictions on the Competition Program

Swimmers aged eight to ten may not have more than 6 starts per day (including relay participation and finals) (born in 2014 and younger).

These competitions and the 17 and 18 competitions (400m freestyle) may be conducted in double lane occupancy and with manual timekeeping if necessary. The fastest heat may again be conducted in single lane occupancy and with automatic timekeeping.

#### 4. Finals

The finals take place in sections 3 and 6. The eight fastest swimmers and, if applicable, alternates from the respective heats compete against each other according to the following ranking.

The finals are held in a Kids category (male born in 2013 and younger, female born in 2013 and younger), a Youth category (male born in 2012-2010, female born in 2012-2010), and an Open category (male born in 2009 and older, female born in 2009 and older). All finals start with a parade and the introduction of the participants. Immediately after the final, the winning participants of the first three places receive cash or non-cash prizes.

#### 5. Knock-out Competitions 31 and 32

In the knock-out competitions 31 and 32, the eight fastest and, if necessary, subsequent swimmers from competitions 11 and 12 compete against each other in five elimination heats with a randomly selected 50m stroke before the start. 12 balls [3 x (B + R + S + F)] each are drawn from each race, and not returned. This drawing process is used in competition 31. The

same rules apply for competition 32. The number of swimmers is reduced by the elimination process to 8 - 6 - 4 - 3 - 2.

### 6. Swimming Attire

The WORLD AQUATICS regulations and the corresponding DSV explanations must be observed for swimming attire. It is pointed out that appropriate visual checks are carried out before the start.

### 7. Starting Rules and Timekeeping

The single start rule applies to all competitions. Electronic timekeeping is used.

### 8. Judging Panel

The number of referees to be provided by the participating clubs can be found in the registration results. The names of the referees must be submitted by September 23, 2024.

### 9. Miscellaneous

Access to the hall is reserved only for athletes, their caregivers/coaches, and the referees, and is through the athlete entrance of the Campusbad. Glass bottles are not allowed. Spectators are asked to take a seat in the gallery (access through the main entrance). The sand parking lot in front of the Campusbad is exclusively available for event participants.

### 10. Registrations and Data Protection

By submitting the registrations, the club / joint team acknowledges the regulations of this announcement as legally binding and declares that it has received from each person involved in the event (athletes, coaches, referees, and helpers) - for minors, from their legal guardians - a data protection declaration, according to which the organizer and the promoter are permitted to:

1. Collect, store, process, and publish, also electronically, competition-relevant, personal data of the above-mentioned persons in registration results, competition protocols, and best lists, and to forward them to the SHSV and the DSV as well. The registration results, the protocol, and the best lists are published on the internet on the homepage of the organizer / promoter, the SHSV, and the DSV.
2. Publish competition-relevant, personal data, as well as photos, film recordings, or photomechanical reproductions of the above-mentioned persons created during the events, and to forward them to the organizer / promoter, SHSV and DSV, as well as third parties, such as media, social networks, and sponsors, for use.
3. Transmit the entire competition event, if necessary, via live stream on the internet.

The aforementioned data includes: name, first name, gender, year of birth, achieved performance (placement, achieved time, and point score), any disqualifications with reasons, and, if applicable, ENM, club affiliation, and for referees, the position of assignment.
