AWARDS AND PRIZES

- a. Each starter will receive a commemorative gift of this event. A participant certificate will be made available for download.
- b. All competitions will be scored according to the DSV points table of the Masters and the first three places in each competition will receive medals. The current German Masters record list can be viewed at www.dsv.de/masterssport/schwimmen/rekorde/ (current status as of 13.06.2024).
- c. The swimmer with the best point performance according to the DSV Masters points table receives an award.
- d. Swimmers who successfully participate in at least 14 individual competitions will receive a "Power Cup".
- e. In the relay competitions, a common age group takes place, which is scored according to point in time; Trophies are awarded for places 1-3 across age groups. The rating is based on the current German records for master swimmers. The relay record list for the 25-m runway can be viewed at www.dsv.de/masterssport/schwimmen/rekorde/ (current status on 13.06.2024). (For example, in WK 7 a relay gets 1000 points in AK 120 for the time of 1:48,77 and in AK 320 for the time of 3:26,84.).
- f. The "Fördepokal" is awarded to the winner relay of the oldest age group in WK 27 (4x50 m mixed medley relay). The winner will be responsible for the engraving of the Fördepokal and will bring it to next year's event. In case of non-participation in the following year, the Fördepokal has to be delivered to the Flensburger Schwimmklub in time.
- g. The award ceremonies will take place during the current event and before the Flensburg Plop® Relay.

GENERAL TERMS AND CONDITIONS

1. Legal provisions

The Competition Rules (WB), the Legal Order (RO) of the DSV, the Anti-Doping Regulations (NADA) and the Anti-Doping Regulations of the DOSB (ADO) apply. For disabled persons with appropriate proof of classification, the competition regulations of the German Disabled Sports Association must also be applied. All active members of clubs, departments and start communities affiliated to the DSV or World Aquatics are eligible to participate. The event is displayed to the SHSV and the DSV.

2. Licenses and Sports Health

Together with the registration, the clubs have to provide an insurance that the swimmers registered by them have the right to start for the club, that the annual licence prescribed according to § 19 Abs. 2 WB-AT (for German clubs) has been paid and that they have proved their sport health by a medical certificate, which is not older than one year. The entry form may only be sent and accepted by the organizer without a signature and a binding declaration on sports health according to § 11 WB-AT if the entry form is submitted by data transmission according to DSV standard and sent by e-mail. In this case the signature must be made up before the start of the event or a signed registration form (DSV Form 101) must be handed in to the organizer. The club is not eligible to start without a signed registration form. The Flensburger Schwimmklub von 1930 e.V. is not liable if it turns out that a sports health or the valid annual license is not available.

3. Swimwear

The World Aquatics regulations and the corresponding DSV explanatory notes must be observed for swimwear. It should be noted that appropriate visual checks are carried out before take-off.

4. Start rule and time measurement

The one-start rule applies to all competitions. Electronic timing is used.

5. Judges

The number of judges to be provided by the participating clubs can be found in the entry result.

6. Others

Access to the hall is restricted to the athletes, their supervisors/trainers and the referees and takes place through the athletes' entrance of the Campusbad. Glass bottles may not be brought along. Spectators are requested to take a seat in the gallery (entrance through the main entrance).

7. Notifications

By submitting the entries, each club declares that it, the registered athletes and other club members agree to the storage of personal data and film material and that the competition data will be published in entry results, livestream, liveview, competition protocols and leaderboards, also electronically. The same applies to photos and film material in the context of reporting on the event. It is intended to publish the registration result and the protocol on the websites of the DSV, SHSV and the Flensburger Schwimmklub.

Entries must be made on the DSV registration form (DSV Form 101) and DSV registration list (DSV Form 102) stating the ID number of the active participant, the year of birth, the age group, the club ID and the code number of the respective national association. In the relay entries, the valuation classes and the names of the relay swimmers must be indicated. The names of the relay swimmers can still be changed on the competition day, but the classification classes cannot. Notifications shall preferably be sent by e-mail using a file in accordance with the DSV FORMAT7 or LENEX standard, or by post.

With the notification, the notifying club acknowledges the provisions of this invitation to tender as legally binding.
